

## Minor Participation Permission Slip

*In order for a minor child to participate in the church's external activities, it is necessary for his or her parent or legal guardian to complete this form and return it to the individual(s) responsible for overseeing the particular event prior to the child leaving for the event. In the case of a church group that has regularly scheduled functions outside the church, it is possible to submit a general release form for your child. In the case of a general release, simply write "General Release" in the "Event" space. Each child needs to use a separate form.*
